(PT) Segurança e conformidade

CUIDADO! RISCO DE QUEDA Este móvel deve ser fixo à parede.
AVISO IMPORTANTE A queda de móveis pode causar ferimentos graves ou até fatais.

Para minimizar o risco de acidentes graves ou fatais devido à queda de móveis:

- Armazene os itens mais pesados nas gavetas e prateleiras inferiores.
- Evite colocar objetos pesados sobre este móvel.
- Não permita que crianças subam ou se pendurem em gavetas, portas ou prateleiras.

(EN) Safety and compliance

CAUTION! RISK OF FALLING

This piece of furniture must be fixed to the wall.

IMPORTANT WARNING

Falling furniture can cause serious or even fatal injuries.

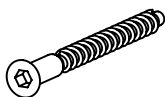

To minimise the risk of serious or fatal accidents due to falling furniture:

- Store heavier items in the drawers and lower shelves.
- Avoid placing heavy objects on this piece of furniture.
- Do not allow children to climb or hang onto drawers, doors or shelves.
